Therefore, recommend suspension of the investigation pending the resolution of his case. If the case is resolved in the Complainant's favor, then recommend investigation as a false arrest complaint. If not, then recommend dismissal.

4. ACRB Case No. 16-021 – Harassment

He further stated that he was refused medical treatment. The Complainant plead Nolo Contendere to the charges stemming from this incident and received time served.

Reconsideration of Complaint:

1. ACRB Case 12-33 – False Arrest
The Complainant filed a false arrest complaint against an APD officer pertaining to an incident that occurred on April 7, 2013. The investigation into the Complainant’s complaint was suspended pending the adjudication of her criminal case stemming from this incident.

On July 20, 2015, the Complainant filed a false arrest, excessive force and abusive language complaint against APD officers pertaining to an incident that occurred on June 11, 2015. The assigned investigator has been unable to get a statement from the Complainant despite many attempts concerning this complaint. The Complainant has been very uncooperative and has missed several appointments. Therefore, staff recommends dismissal for lack of cooperation.

B. BOARD VOTES ON INTAKE REPORT

Bartels moved to accept the Intake Report. *Souder* seconded. Hearing no discussion, the motion is approved by all.

Note: *Director Reid* acknowledged Gerald Souder for speaking on behalf of ACRB at the work session. *Souder* provided a board member’s perspective on how frustrating it is to take the time and effort in making decisions for the cases and then to have the chief send back a letter that doesn’t explain why the decision was made. “I think that the council members that were there understood what he was saying!”
