RE: Complaint of Ricky Clark, ACRB File #15-055

Dear Chief Turner:

Please be advised that the Atlanta Citizen Review Board (ACRB) has concluded its investigation and adjudication of the complaint filed by Mr. Ricky Clark alleging that on April 5, 2015, Atlanta Police Officer Davon Green (Unique ID #6124) and Drew Marshall (Unique ID #6298) falsely imprisoned him when they illegally stopped and detained him based on information provided by Officer Casey Freeman, who was off-duty at the time of the incident.

The Board determined that the false imprisonment allegation against both officers be assigned a finding of Sustained and recommends the following penalty be imposed:

- Officer Davon Green receives an oral admonishment
- The Board acknowledges that Officer Drew Marshall is no longer employed by APD; however, if Officer Marshall was still on the police force, the Board would also have recommended that he receive an oral admonishment.

It is also recommended that APD look further into this matter; specifically, APD must determine if Officer Casey Freeman violated any APD policies pertaining to his actions as it relates to him following Mr. Clark and providing the officers with the information that led them to stop Mr. Clark.

The file is available for review upon request. The ordinance requires that the Chief respond in writing regarding which recommendations are accepted, rejected, or will be implemented with modifications within thirty (30) days of the submission of a recommendation for action by the Board to the Chief (see Sec. 2-2211(O) of the Ordinance 07-0-0141).

Sincerely,

A handwritten signature in black ink that reads 'William Harrison'.
